

Senior Dealer / Analyst

About WATC

As the State's central financial services provider, Western Australian Treasury Corporation (WATC) cares about the financial health of Western Australia's government sector. We partner with government entities to achieve sound financial outcomes and provide access to a comprehensive range of corporate finance, debt and investment, risk management and foreign exchange products and advisory services. We also provide our investors with secure and sustainable opportunities.

You can find out more about the organisation including our purpose, history and key activities by visiting the [About Us](#) tab on the WATC website.

The Opportunity

We are seeking a Senior Dealer / Analyst to join our Markets team to support the execution of market transactions aligned to funding, investment and financial risk management strategies. Operating in a supporting capacity alongside experienced Principal Dealers, you will contribute to strategy development, execution planning and market intelligence, researching and analysing market, regulatory, investor and government trends, whilst contributing to high-quality research papers and recommendations.

Key activities include:

- Maintaining accurate trade capture and documentation in relevant systems, ensuring robust controls and data integrity.
- Developing and maintaining tools to monitor market movements and identify opportunities as they arise.
- Supporting cash and liquidity management by working collaboratively across the Funding and Markets Business Unit, contributing to broader strategic initiatives as required.

About You

Our ideal candidate is a critical thinker who can demonstrate a strong blend of the following skills, qualifications and experience:

- Sound knowledge of Australian financial market dealing processes, practices and conventions.
- Strong understanding of financial instruments across funding, investment and risk management activities.
- Strong analytical and quantitative skills, with the ability to translate complexity into clear, actionable insights.
- Well-developed capability with Microsoft Office (Word and spreadsheets) and market/treasury systems (e.g., Reuters, Bloomberg and Quantum Treasury Management System).
- High integrity and discretion, with a strong commitment to professional and ethical standards and confidentiality.

If you have a proactive learning mindset, are open to others' views, enjoy constructive debate and working within a culture of continuous improvement, we would love to hear from you.
