

# Senior Corporate Financial Advisor

WATC is seeking a Senior Corporate Financial Advisor to play a role in the financial evaluation of a range of WA Public Sector investment proposals.

- Provide specialist financial analysis and advice to inform State decisions
- Enjoy a supportive work environment with excellent work life balance
- Work to benefit the State of WA

## The Opportunity:

This role offers a unique opportunity to join a dynamic team tasked with evaluating key projects which support the State's long-term economic development.

WATC proudly supports flexible working practices and, as such, will consider full / part time working arrangements for the right person.

Working in an evolving environment these roles will liaise with clients across State agencies to facilitate the development of effective solutions tailored to address clients' financial requirements.

Key activities:

- Developing and maintaining complex integrated financial models.
- Conducting robust and considered financial evaluations and value to State assessments.
- Undertaking research and analysis of drivers underpinning capital investment decisions, alternative financing structures, divestment decisions, financial valuations and procurement decisions.
- Developing and implementing financial risk management strategies in line with client policy frameworks.
- Provision of specialist investment appraisal advice and recommendations on investment prioritisation including strategic merit, maturity, benefit and cost of infrastructure, and
- Assisting with the preparation of proposal papers, presentations, and government submissions.

You will also provide support to Chief Advisors in compiling and analysing financial information, and will contribute to the continuous improvement of internal processes and methodologies, training delivery and advocacy.

## About You:

WATC is seeking positive and approachable individuals who enjoy working collaboratively, welcome the opportunity to mentor and share knowledge, and are passionate about being a part of the WATC advisory team. Your proactive approach and ability to remain agile in a dynamic environment will be key to your success in the role.

WATC's ideal candidates will be critical thinkers who can demonstrate a combination of the following skills, qualifications and experience:

- A tertiary qualification in finance, or a related discipline.
- Experience in an advisory services environment.
- Strong financial modelling skills.
- Creative problem solving and analytical skills.
- Strong interpersonal and communication skills within a client relationship and team context.
- A high level of intellectual curiosity, and
- A flexible, 'can-do' attitude to work.

## About WATC:

As the State's central financial services provider, Western Australian Treasury Corporation (WATC) cares about the financial health of WA's public sector agencies. We work with them to provide access to a comprehensive range of corporate finance, debt and investment, financial markets, risk management and foreign exchange products and advisory services.

## Our Values:

Our values shape our behaviours and define how we relate to each other, our clients and our community:

**Integrity** – We are open, honest and accountable; we adhere to the highest professional and ethical standards. We honour our promises.

**Partnership** – We work collaboratively with our stakeholders and colleagues towards achieving successful outcomes.

**Adaptability** – We challenge ourselves to think creatively and to continuously improve.

**Achievement** – We are engaged and focused on delivering valued outcomes for WA.

**Leadership** – We use our knowledge and experience to contribute to the long term benefit of WA.

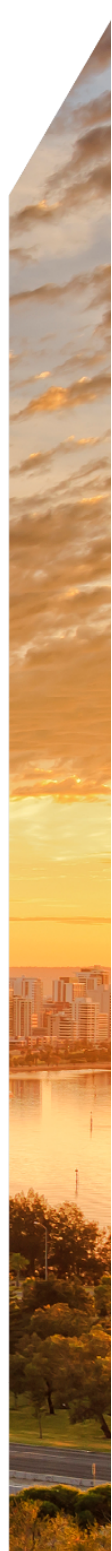

## Benefits:

- Excellent work/life balance and flexibility.
- Collaborative and supportive work environment.
- 12.5 days personal leave per year.
- Above average and flexible parental leave policy.
- Access to purchase additional leave.
- Discounted health insurance.
- Development opportunities.
- Free fruit.
- Brand new office.
- Free gym access and classes in the building.
- Excellent end of trip facilities.

## How to Apply:

Our recruitment and selection process includes a variety of assessment tools that might include behavioural and cognitive surveys, technical skill activities, reference checks and verification of Australian working rights.

**Only candidates with unrestricted working rights in Australia will be considered.**

WATC is committed to employing highly skilled people, with diverse backgrounds and experiences and embrace diversity of all kinds, and avidly support Women In STEM.
