

Senior Corporate Financial Advisor

About WATC

As the State's central financial services provider, Western Australian Treasury Corporation (WATC) cares about the financial health of Western Australia's government sector. We partner with government entities to achieve sound financial outcomes and provide access to a comprehensive range of corporate finance, debt and investment, risk management and foreign exchange products and advisory services. We also provide our investors with secure and sustainable opportunities.

You can find out more about the organisation including our purpose, history and key activities by visiting the About Us tab on the [WATC website](#).

The Opportunity

Following continued organisational growth, we are expanding our Advisory Services team and are excited to offer an additional opportunity within the function. This role reflects our ongoing investment in building capability and supporting the organisation's future growth and success.

This role of Senior Corporate Financial Advisor offers a unique chance to join a dynamic and growing team tasked with evaluating key projects that support the State's long-term economic development. Working in an evolving environment, the successful applicant will liaise with clients across State agencies to facilitate the development of effective solutions tailored to address clients' financial requirements.

WATC proudly supports flexible working practices and, as such, will consider full-time or part-time working arrangements for the right person.

Key activities:

- Developing and maintaining complex integrated financial models.
- Conducting robust and considered financial evaluations and value-to-State assessments.
- Undertaking research and analysis of drivers underpinning capital investment decisions, alternative financing structures, divestment decisions, financial valuations and procurement decisions.
- Developing and implementing financial risk management strategies in line with client policy frameworks.
- Provision of specialist investment appraisal advice and recommendations on investment prioritisation including strategic merit, maturity, benefit and cost of infrastructure, and
- Assisting with the preparation of proposal papers, presentations, and government submissions.

You will also provide support to Principal Advisors in compiling and analysing financial information, and will contribute to the continuous improvement of internal processes and methodologies, training delivery and advocacy. The role also includes mentoring and developing our Corporate Financial Advisors to raise their skill levels towards the Senior Corporate Financial Advisor level over time.

About You

WATC is seeking positive and approachable individuals who enjoy working collaboratively, welcome the opportunity to mentor and share knowledge, and are passionate about being a part of the WATC advisory team. Your proactive approach and ability to remain agile in a dynamic environment will be key to your success in the role.

WATC's ideal candidates will be critical thinkers who can demonstrate a combination of the following skills, qualifications and experience:

- A tertiary qualification in finance, or a related discipline.
- Experience in an advisory services environment.
- Strong financial modelling skills.
- Creative problem solving and analytical skills.
- Strong interpersonal and communication skills within a client relationship and team context.
- A high level of intellectual curiosity, and
- A flexible, 'can-do' attitude to work.

WATC Values

WATC values shape our behaviours and define how we relate to each other, our clients and our community:
